

NOVEMBER 9th 2013 DAY TRIP

Learn about the origins of the famous Unesco monument

CANAL DU MIDI

« partage des eaux » Seuil de Naurouze. Darknautilus. Wikimédias Commons

Program of the visit...

- **Naurouze line** : Watershed of the Canal du Midi which connects the Mediterranean sea to the Atlantic ocean
- **Saint Ferreol lake** : The reservoir which supplies water to the two sides of the canal
- **Revel, and its famous medieval hall** : where you will enjoy a lunch break
- **Bonrepos-Riquet Castel** : the gorgeous house and park of Pierre Paul Riquet, where he established his « hydraulic machine ».

For only 25€, transport from Toulouse, English/French guide and ticket prices included.
