

February 22<sup>th</sup> DAY TRIP

ST-LIZIER ST-GIRONS LORP-SENTARAILLE

Enjoy a day-trip in **Ariège** to discover two of its main towns and **the origins of modern paper industry**.

Program of the visits...

**St-Lizier**: small town of Ariège loaded with history and with a rich heritage (visit of the village, the cloister, the treasure and the pharmacy).

**St-Girons**: lunch in the « capital » of Couserans.

**Lorp-Sentaraille**: visit Aristide Bergès' native home, hydraulic engineer of the 19<sup>th</sup> century, inventor of processes that propelled the paper industry from a craft to an industrial scale.

For only 28€, transport from Toulouse, english/french guide and ticket prices included!

Detailed information, online registration and payment
